BOO!!!

That's right friends, it is the month of Halloween. It is also the month of a lot of activities every week.

Right off the bat, there'll be Lefse Making! this coming Tuesday October 4th, from 6pm-8pm. We're going to take a bit of extra time at the start to get new rollers situated, and some one-on-one training from some of our more experienced rollers!

Also rolling in this coming week are 225 pounds of salted herring! So stay tuned for the fun that that entails!

Besides just rinsing, and dropping in the tubs, there are GALLONS of brine to make, and onions to slice, did I mention.... A LOT OF ONIONS TO SLICE!

Of course a week from today is our October Drive thru **Pancake Breakfast**, costumes encouraged! I guarantee, if you show up, we'll keep you busy, and you'll have a great time with old and new friends!

Whew!

Ok, on to more NORMAL events.

This coming Thursday the 6th, at **King of Clubs**, dinner will be Shepherds Pie. We're just at the start of the Deck, but with fewer people showing up, you actually have a better chance of getting to

pick a card! Hope to see you there!

Friday **Meat Raffle** on Friday the 7th, will also be our **Birthday Potluck!** I've got a favorite dish I'm going to bring, what's yours? And that Friends is just the first week of the month.

The **Holiday Bazaar** is coming up, November 18th and 19th. This is truly one of our signature events through the year. It doesn't get to be that fabulous without a lot of work, volunteers, and PLANNING! Our next planning meeting this year will be at the lodge, this coming Wednesday, October 19th, at 6pm.

Now comes the part that counts, planning, volunteering, advertising. And we NEED your input!

At a very minimum we will need 25 volunteers PER DAY. Now that is not committing to ALL Day, most positions are for a 2-hour shift. Next week I will be pushing out a sign-up roster for the jobs, and PLEASE jump in! If you cannot make it to volunteer, or if you can, we'll be having our bake sale, always a big draw to see all of our local bakers showing off.

From the Chorus:

Our practices have kicked off, with the next being Wednesday, October 5th! So come on down. Doors will be open at 6:30, with practice starting at 7. We've solidified up our song list, so this week will be a good practice. Remember, you do not have to be able to speak Norwegian, just love to sing, hope to see you there! The Chorus is also looking for a new accompanist. Again if you play, or know someone who does, have them reach out to me!

Hitler's Savage Canary: A History of the Danish Resistance in World War II

by David Lampe

After Adolf Hitler made plans to create a “model protectorate” out of Denmark, Winston Churchill predicted that the nation would become the Führer’s tame canary. Isolated from the Allies and fueled only by a sense of human decency and national pride, the Danes created an extraordinary resistance movement that proved a relentless thorn in the side of the Nazis. By 1945, they had published twenty-six million issues of illegal newspapers. They set up radio guides for Allied aircraft on the coasts and proved invaluable in penetrating Nazi defenses.

Regular boat services ran between Sweden, Denmark, and Britain. German ships could not move out of ports, and troops were stymied again and again by the sabotage of railways and air bases. Most amazing of all was the transportation of some 7,000 Danish Jews to safety in Sweden. They were not trained; they were not soldiers. They were simply ordinary citizens who refused to stand idly by and witness an atrocity.

The story of the selfless courage and daring should inspire countless future generations.
